A Software Engineer¹ And The Law

- I am 61+
- I have no phone
- I have no valid driver's license
- I no longer have a stable physical address
- I have been completely isolated and under implied "house arrest" for years now
- The courts have allowed my "forced indigency" (i.e. no assets, no savings, no car, etc.) for costs
- As per a 1/12/2022 court order, I must apply to 10 full-time jobs per week with Mass. employers

A Fabricated Family Tragedy²

- I am an involuntarily divorced father, and I have attempted to rebuild a new family after the divorce
- I have known about the "win-win" strategy directly from the "Father" of our "progressive" divorce laws
- The recipe is simple, provoke "evil" fathers to resist any inherently child-abusive treatment, and the reinterpreted "attacks" on protected "victim" mothers become justified causes for swift punishments

A Defendant's Layman Efforts³

- I have been falsely arrested, with the "domestic violence victim" immediately pleading the fifth
- The police has been called on me for "beating my children," yet the 3 officers did not make an arrest
- I was labeled with "possible personality disorders," with 3 Harvard psychiatry professors disagreeing
- The courts allowed **false** rape, child abuse, "toxic masculinity," etc. claims against me while denying my due process rights. I was then prohibited from contacting my children, only to be forcibly silenced
- I have invested my last savings and retirement (about \$1M) into my third software startup Quantapix

"Conspiracy To Silence And To Enslave"⁴

- I have been complaining in courts about allowed child-predatory fraud, defamation & discrimination
- My in-arrears child support obligations have now reached **\$320K+** through 20+ hearings since 2018
- I am finally in a position to petition the U.S. Supreme Court for a review of the troubling matters

Roots And National Origin

- I grew up in Ceausescu's Romania, a cruel communist tyranny, as a hated minority
- As a university student, I was targeted and beaten by the Romanian secret police ("Securitate")
- I was accepted as a grateful immigrant in New York City in 1986, on a political asylum basis
- I have been a proud US citizen with no political "identities" nor entitlements of any kind since 1994
