## A Software Engineer And The Law

- I am 63+
- I am a legal immigrant and a naturalized US citizen
- I have no valid (i.e., unexpired) driver's license or passport
- The "Sanctuary City" of Newton kindly pre-paid my initial phone
- I slept in a tent while awaiting my currently assigned bed in a homeless shelter
- I have been completely isolated and under an implied and strict **"house arrest"** for years
- The courts have allowed my "forced indigency" (i.e., no assets, no savings, no car, etc.) for costs
- I must apply for 10 full-time jobs per week and my current total on 8/19/2025 is **2,690+** (since 2019)

## A Fabricated Family Tragedy<sup>1</sup>

- I am an involuntarily divorced father and have attempted to rebuild a new family after the divorce
- I have known about the "win-win" strategy directly from the "Father" of our "progressive" divorce laws
- The recipe is simple: provoke "evil" fathers to resist any inherently child-abusive treatment, and the reinterpreted "attacks" on protected "victim" mothers become justified causes for swift punishments

## A Defendant's Layman Efforts<sup>2</sup>

- I have been falsely arrested, with the cruel "domestic violence victim" immediately pleading the fifth
- The police was called on me again for **false** "beating children" fabrications. They refused to arrest me
- I was labeled with "possible personality disorders," with 3 Harvard psychiatry professors disagreeing
- The courts allowed **false** rape, child abuse, "toxic masculinity," etc., claims against me while denying my due process rights. I was then prohibited from contacting my children, only to be forcibly silenced
- I have invested my last savings and retirement (about \$1M) into my third software startup, Quantapix

## "Conspiracy To Silence And To Enslave"<sup>3</sup>

- I have been complaining in court about predatory fraud, defamation, and statutory discriminations
- My in-arrears support obligations are now **\$460K+** with the additional interest/penalties at **\$50K+**
- I have petitioned the U.S. Supreme Court **four** times already for a review of the troubling matters

## Roots And National Origin

- I grew up in Ceausescu's Romania, a cruel communist tyranny, as a hated minority
- As a university student, I was targeted and beaten by the Romanian secret police ("Securitate")
- I was accepted as a grateful immigrant in New York City in 1986 on a political asylum basis
- I have been a proud US citizen with no political "identities" nor entitlements of any kind since 1994
